Dear Dr. Hashim:

On behalf of the American Society for Neurochemistry, Inc., I would like to thank you for your donation of \$500 to support a symposium on "Pathogenesis of Multiple Sclerosis" organized by Dr. Bruce Trapp to be held at our Annual Meeting in Santa Monica, California, March 5-9, 1995. This donation will enable Dr. Trapp to invite speakers who are outstanding leaders in the field, contributing significantly to the quality of our scientific program.

Again, thank you very much for your kind donation. We sincerely appreciate your contribution and will acknowledge such in our meeting program, which will be sent to you when it becomes available in the spring, 1995.

Sincerely,
